### **DETAILED ACTION**

The Amendment received 2/8/05/ has been entered. Claims 1-30 remain pending in this application. The amendments to the claims and Applicants' Remarks/Arguments have overcome the objections and rejections recited in the final Office action mailed 11/29/04.

#### ***Allowable Subject Matter***

1. Claims 1-30 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Applicants' amendment received 2/8 /05 has replied to every ground of objections and rejections recited in the prior Office action by providing clear explanations and concise amendments to the claims. Further, in the Remarks/Arguments, see pages 13 to 18 of the Amendment, applicants have clearly pointed out the patentable novelty features and the differences between the claimed invention and the closest prior art of record, the Lazzouni et al (U.S. Patent No. 5,661,506) and the O'Connor et al (U.S. Patent No. 6,188,392).

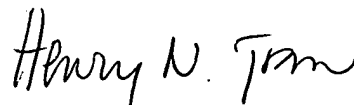

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
